OFF THE TOP

INSTANT ACTION REQUIRED!

by Joseph W. Bean

Many legislators—not just Jesse Helms and William Dannemeyer—have proven themselves to be active enemies of leatherfolk, radical sexuality, and even human sexuality in any detectable expression. But, while they have had some impressive (not to say frightening) successes, they have not been able to put over their entire anti-sex, maximum censorship agenda. (As proven by the fact that this magazine was produced and delivered.)

Well, as the saying goes, there's more than one way to skin a cat—or, in the present case, to destroy the lives and pleasures of sexual Americans. If they can't legislate out of existence our art and media and person-to-person electronic communications, perhaps they can just enlist the help of ordinary bigots.

They're not proposing rock throwing or cross burning. Much as they might appreciate such tactics, they understand that those are "old ways." The newer way is to create criminality by redefining the acts and items that "offend" as crime. That means making new laws, and it hasn't been working all that well. (As proven by the fact that this magazine and lots of other sexual material is still being produced and delivered.)

So, what won't be done with criminal laws and the criminal "justice" system (with all that messy red tape and the fuss of a jury), will simply be made easy in the civil court system. ("Now," says Jesse, scratching his scalp, "why didn't I think of that?")

Purportedly led by Senator McConnell of Kentucky, along with Senators Grassley, Thurmond, and Packwood, the specific means by which

our elected officials intend to make any garden variety bigot able to destroy porn empires with a single blow is ridiculously simple: *The Pornography Victims' Compensation Act of 1991*.

It's brilliant, this proposed "cause of action" legislation. Dressed in the glory of a victims' right to compensation, defended from many attacks by the fact that it creates no criminal category, and couched in bushels of rigamarole and gobble-de-gook, what it amounts to in simple language is an invitation for disgruntled and frustrated people to sue for cash.

Under the PVCA, anyone may claim that he or she has been the victim of a "sexual" crime, with no directives or definitions of "sexual" being provided. The complainant need not report the supposed crime to the police, much less prosecute the "criminal" or secure a conviction. A simple accusation will suffice. Then the PVCA provides an encouraging opportunity to sue and a comfortable system in which to do so. And it is not the accused sex criminal against whom the suit proceeds. In fact, his/her testimony is specifically disallowed.

No, the entities who may be sued are the producers and distributors of any purportedly pornographic material to which the supposed criminal has been exposed.

If a guy—you, for instance—could be said to have seen *Drummer*, for example, then he was accused (although not necessarily charged with or convicted of) sexually harrassing or raping or battering someone else, this someone else could sue *Drummer* (Desmodus) and all its distributors for any amount of

money. . . say, millions. . . and the "criminal's" claim that he was not influenced by *Drummer* would not be permissible testimony.

One suit under this legislation and Poof! no *Drummer*. Another suit could bring *Playguy*, *Torso*, and their related titles to ruin. Another. . . *Bear* and *Powerplay* are gone. The bigger the publisher, the bigger the damages, meaning *anyone* could be dissolved in one or two suits.

What's more, the very existence of the PVCA could cause a major freeze in the distribution of sex-related materials. Think of it, if ten percent or so of your magazine business is sexual publications, wouldn't you seriously consider dropping the dangerous titles rather than risk becoming involved in a suit that could cost you everything? Yes, if your decision were based on business logic, you would. You'd have to.

That alone could destroy smaller sex publishers like Desmodus and most of the producers of special interest titles. Then, both by the direct action already described and the closing of their primary advertising venues, other book and video producers, new magazines, and who knows who else (dungeon equipment makers?) are out of business too.

Not to extend the point too preposterously, but the freeze could easily go so far as to leave farm boys in Utah (and guys in your hometown) growing up, as they did all too recently, thinking their interest in men or SM or whatever is a personal and unique illness.

But, we don't have to carry the chilling domino effect that far. The direct action of the PVCA is bad enough.

Even if you have never taken any political action before in your life, even if you have to call city hall to find out who they are, get in touch with your Senators and House Representatives *now* and put them on notice that you will join the ranks of their enemies if they do not go one record—loudly and publicly—against the *Pornography Victims' Compensation Act of 1991*, or Senate Bill S 1521.

CAUTION

Every decision a person makes, including the decision to get out of bed in the morning, has some degree of risk associated with it. We strongly believe that each competent adult must set for themselves the level of risk he or she is willing to accept. Some avoid crossing streets in heavy traffic—others stunt-ride motorcycles without a helmet. However, to intelligently confront and accept risk, a person *must* understand the dangers.

While *Drummer* hopes to educate its readers on a wide variety of topics, its main purpose is to entertain! Works of fiction presented in this magazine are just that—fiction! They are not in any way intended to suggest or describe activities that anyone should—or often could—actually do. They are meant for entertainment only. In other than fictional pieces, we will emphasize safe sex with respect to contagious diseases, and safe and sane behavior with respect to all activities, and will try to point out all activities which deviate from recognized safe-sex and safe-and-sane play activities.

However, Desmodus, Inc., its officers and stockholders, the editors and staff of *Drummer*, columnists, authors, artists and other contributors to this publication and other organs of Desmodus, Inc., cannot be held responsible for accidents, injuries or other or improper application of information imparted or ideas generated by materials in *Drummer*, or from Desmodus, Inc. products.

MALE CALL

Oh, For Some Aching Feet!

When are you guys going to run some stories, photos, and info on the bastinado and other forms of foot torture? This would, of course, include tickling... but of a much more severe nature than most of these "fantasy" players allow.

My idea is to have a bottom squealing and howling in pure panic, and enjoying every second of his hysteria from it. I also enjoy employing C & B torment, TT and the like... but the feet are always ignored, or they're lumped into a category with guys who love to suck or lick feet, or things like that which hold no interest for me or folks like me who enjoy a nice male sole in torment. It has a personality all to itself when it cringes as it's being toasted with a hair dryer, beaten with a wooden spoon, or tickled until it's owner is hysterical. After all, what good is a bottom if he doesn't "let go" and panic and howl a bit?

So let's hear or see something on it, or at least point me in the right direction! Sincerely,

Kurt, Annandale, NJ

Yes. Let's hear from writers, photographers, artists, and others. I like the idea as much as Kurt does. His scene just is not one that we find in the editorial in-boxes. But take a look at page 39 of this issue.—JWB

Delayed Reaction

[Editor's note: The delay in getting this letter in print is not the writer's fault, but mine.]

Having just experienced my first International Mr. Drummer Contest, it is appropriate for me to give you some feedback.

My viewpoint is, of course, coloured by my Australian background.

THANK YOU!!!!

The experience was essentially very enjoyable, though there were of course negatives, so I shall quickly mention them and get them out of the road.

• **Punctuality.** Why does the gay world operate on SGT (Standard Gay Time)? Why were we standing outside in a line for nearly an hour after the advertised starting time? Indeed, why were there conflicting times advertised? (I did not see these myself, but I was told that some newspapers had differing times. Yes, the responsibility for accuracy was theirs and that gives you a cop out, but your tickets did not match reality!)

• **Venue.** Appalling for a "show" of

this nature. However, it would be unfair of me not to acknowledge that the staff involved (especially the Drummerboys) had made the best of a bad thing.

• **Fantasies.** Future contestants should take into consideration my second point: they should ensure that their fantasies do NOT take place below eye level of standing spectators. (They should also do a little checking on the differences between fantasy and reality.)

• **Seating.** Really just an extension of my negative criticism regarding the venue. WOEFUL.

• **Bouquets.** Firstly, for the concept of promoting this lifestyle in such a positive manner. Secondly, for the huge effort put in by the staff (special mention for John Siracusa and his now "official" spouse) who worked under lots of pressure in a frighteningly small amount of time.

• **Contestants.** None of them is a loser. No member of the crowds watching/participating/enjoying (even vicariously) is a loser. Male or female, active or passive, TOP or bottom—every single one of us is a winner.

• **Future considerations.** Truly international participation would be wonderful, but I do recognise the limits experienced by Desmodus. A change of city is going to become inevitable (assuming the "contest" continues). May I be so bold as to suggest Sydney? Chartering a couple of Jumbos and getting a tour organised is not an insurmountable task. John Siracusa has the skills and now the experience to handle this. The Australian co-sponsors (Jayar Leather and LeatherWorld) have the staging experience. (I guess I am fairly high-handedly throwing down the gauntlet.)

• **AIDS.** Much of our impetus comes from fighting this common enemy. One day (SOON, if God can find it in Her heart) AIDS will be defeated. What then will keep us in one single community?

• **Woody Bebout.** Congratulations on being awarded the title (it's not easy avoiding the word "winner"). You have a hard act to follow.

• **Clive & John Platman-Siracusa.** Congratulations! You have set a very high standard for your successors to aim at.

• **IML-DRUMMER.** Congratulations on such a fine public display of working together. (And yes, the gals deserve congratulations, too!)

• **The Females.** Please accept my apologies for my sexist remarks and thoughts, I am the product of my environ-

ment, but I'll try to be "better" in the future. And thank you for the invitation to visit your spaces, but "no thank you," I'm happy being a gay man.

Brian M. Waterhouse, Australia

Wow. Thanks, I think. The best way I have of seeing that everyone concerned sees these remarks is to publish them here. Done.

Ole and Hooray for Jose

Congratulations on your Tough Customer Issue [No. 2, still available, as we start work now on No. 3—Editor]. Great men and interesting personals. I and my lover Jonathan were very impressed with your cover model, Jose... very good choice and two great photos. Where did you find him? We both would like to see more of him with less clothes if possible, making some of his fantasies come true! And ours!

We always have enjoyed your publication and we wish you the very best in 1992. We look forward to seeing a nice and hot spread and cover story on the Latino Hunk, Jose. Sincerely

E.R.

We didn't find Jose, he found us. Hope you've made your connection with him by now. And, as for more pix, that's pretty much in his hands.

Customs Officers Grab Drummer

As previously advised, the last issue of *Drummer* I received was No. 148. Customs always tell you if they have "seized" a publication, so I'd be interested to learn what's happening over there in San Francisco.

Enclosed please find Box reply. I haven't done this before and am at a loss with regard to your local postage so I hope this International Reply Coupon will cover it. Best Wishes.

LMS, London

We have had a lot of trouble getting *Drummer* out on anything like a regular schedule in the past, but the last few issues have turned that trend around, and we have every reason to believe that the problems involved have been solved. On the subject of Customs always notifying subscribers if their magazines are seized, unfortunately, they don't. They have lots of "cute" ways of avoiding that (like returning rather than legally confiscating the mail, losing rather than reacting to it, etc.) And, we have evidence that these alternative systems are being employed. As to postage for mail forwarding: you can always just send the appropriate amount of money, figured by using the information given in the instructions for responding to Dear Sir ads and Tough Customers.

LEATHER NOTEBOOK

By Larry Townsend

Dear Larry,

I'm really at a loss when it comes to knowing what I can and can't do, operating within the bounds of safe sex (pun intended). I have a long-term lover, and although our sexual bouts are now infrequent and only rudimentarily (sic) satisfying, just his presence in the house has kept me "off the street" for the last 7 or 8 years. However, my friend has recently changed jobs, and is now frequently out of town on business, leaving me free to play. (He doesn't really care, as long as I don't bring home the plague.) I've gone out a few times, now, but have not done well in the bars. I have made it a couple of times with hustlers - fun but nervous-time because I'm sure they have to be HIV positive. I am exclusively Top in these scenes, and I always clean the equipment after use. But, can I deep kiss the guy? Can I take his dick in my mouth? If I shave his asshole, do I have to wear rubber gloves? If his cum strikes my bare skin am I in danger? Please advise.

Anxious in Los Angeles, CA

Dear Anxious,

You are right to assume that any "stranger" is HIV+, and to behave accordingly - even if he tells you he tested negative yesterday. But from this point on, there is really no need for panicky fear. The virus is not easily transmitted, and if you play within the standard guidelines, you should be safe. It's always a good idea to clean your equipment after use, although in all truthfulness, you may well be protecting against threats other than HIV by doing this. (The AIDS virus can only live a few hours outside the body.) As to kissing, this is a mildly disputed area. In Europe, the safe-sex posters all tell you to: "Use a rubber & kiss to your hearts content." I think they are probably right; but if you're squeamish, don't do it. Likewise, taking the guy's dick in your mouth presents a minimal risk, although it is generally advised that you not take his load. I feel more comfortable if I rinse my mouth with a little slug of vodka (or whiskey) afterwards. This can be done in such a way as to appear socially casual, not therapeutic/preventative (as long as you don't swallow so much booze you get loaded.) If you shave his asshole, you're probably using warm water and soap at some stage of the operation. Washing your hands in the course of this is unobtrusive and should offer adequate protection. His cum on your skin is only likely to infect you if he hits an open sore. But all of these are "outside risks". Fucking with-

out a condom is the real danger in a male-to-male sexual exchange.

Dear Sir,

When I was in London a couple of months ago, I bought a copy of your *Leatherman's Handbook*, marked "3rd Printing - complete original text, Le Salon, San Francisco." The book contains 14 chapters, and no appendices. It ends on page 246. In reading the book, which is excellent and most interesting, I found references to such things as: Appendices A & B, Chapters 15 & 18, lists of suppliers, etc. The binding shows no sign of tampering, so I would like to know if there is some way I can exchange my copy for a complete edition.

A Loyal Reader, Hong Kong

Dear Loyal Reader,

Unfortunately, it appears that both of us have been ripped-off. Yours is the second letter I have received from someone who bought a pirate edition of the original *Leatherman's Handbook* in England. The original editions are all out of print at the moment. (There were three.) I did the *Leatherman's Handbook II* in 1982, which is a complete new book, and it sold out as well. There is now a second edition of this second book on the market - available in most gay bookstores, or through my own and other mail order suppliers. The only place you will find the earlier book is - by chance - in a used bookstore.

Dear Larry,

Now that Eastern Europe is in the process of recovery from four decades of Communist mis-rule, I note frequent news accounts of various memorials being erected or dedicated on the sites of former Nazi concentration camps. Quite justifiably, those generally commemorate the deaths and mistreatment of Jews and other religious groups, as well as ethnic and political victims. As usual, the pink triangles worn by homosexual victims are ignored. I guess there's nothing we can really do about this, since gay people seem to be non-beings as far as most eastern Europeans are concerned. I was just wondering if anyone has done a mainstream book specifically on the plight of the homosexual in this context. If so, I'd like to read it. If not, when are you going to do it?

Aaron, Manchester NH

Dear Aaron,

Thanks for the expression of confidence, but for someone to really do a number on life in the concentration camps, he would either have to have been there,

else have access to a number of eye witnesses. I can not qualify on either count. I agree with you; someone should recognize the gay victims of the camps, but there doesn't seem to be much support for this outside of our own community. As to books on the subject: there have been several that describe some of the mistreatment of gay men, but usually as an aside in an account concerning other issues. I did come across a pretty good one recently, however, and I think it's still in print (trade paperback re-print). Look for *MONI, A Novel of Auschwitz* by KA-TZETNIK 135633, Citadel Press, Secaucus, NJ. There are probably a few others still in print, but I haven't come across them. If some kind reader would care to enlighten me, I will pass on the information.

Dear Larry,

I recently tried to mail a copy of one of your books to a friend in England, and it was seized by customs as obscene. (It was only a novel without illustrations - in fact an out-of-print book that I can't replace.) I can't understand how this can happen in a supposed "Western Democracy." You hear stories all the time about gay activities and personalities in England - including members of the royal family, like Louis Mountbatten - or situations of extreme tolerance, such as in the Queen Mother's household. I know you can't do anything about it, but I was so outraged I felt I had to write and tell you.

R.S., Chicago, IL

Dear R.S.,

Yes, it is unfortunate that the Queen merely reigns while Maggie and her successors do the ruling. But the entire English-speaking world is in the grips of a repressive swing to the right. And much of this has been generated by the political situation right here, in the Good Old US of A. We have, somehow, permitted ourselves to be lulled into a placid acceptance of reactionary values in exchange for a carefully orchestrated hornswaggle/flimflam of Peace and Prosperity. We'd better all get out and vote in '92, or start looking for a more permissive place to live. How 'bout Niznynovgorod?

DESERT STORM

by Bill Simmons

illustrated by Michael Kirwan

It was a hot Arizona day. I decided to have a little fun. The scumbag has been around for a couple of years now, and he's just starting to be a pretty decent fuck. I took a skimpy pair of cotton work-out shorts and threw them to him.

"Put these on," I told him. "And get your ass in the truck. We're going for a picnic."

I was wearing my favorite pair of tight fitting jeans, my cowboy boots and a tank top. I grabbed a couple of beers from the fridge and threw my bag of toys into the cab of the truck. He obediently put on the shorts, went outside and got in the back of the truck. He's only allowed in the cab with me on special occasions.

I drove about fifteen miles outside of town to a quiet little spot I had scouted out earlier. We were in a sandy wash, with a nice little Palo Verde tree for shade at the side. This was pretty remote, even with my four-wheel drive pickup truck.

I got out and set up my toy bag and beers under the shade of the tree.

"Get those shorts off and get over here," I told him. He slipped off the shorts and followed me over into the sunny part of the wash.

His dick was already rock hard and standing straight up against his belly. He has a pretty big dick. Not that it matters too much. It doesn't get too much action. I see to it that he cums when I let him, and that isn't too often. I like him better with perpetual blue balls.

I told him to lie on his back spread eagle in the wash. I'm sure with the heat, the hot sand burned as he lay down on it. I took four stakes out of my toy bag and some rope and quickly had him tied up spread-eagle under that hot dry sun.

"Looks like you're gonna bake for a while," I told him.

"Yes sir," he replied.

"As long as you're cookin', let's get things good and hot." I went back to the toy bag and took out my tube of Ben-Gay. I went back over, grabbed his nuts and spread a nice big bunch of it all over his big red balls. Shit, the stuff was burning my hand already. I knew it would soak fire into his ballsack in no time. I went back to the shade tree, popped a brew and sat back to watch the action.

It didn't take long until he turned

bright red and started sweating and writhing. His nuts turned almost bright purple, and he twisted and jerked at the ropes holding him down. The fire in his balls had to be equivalent to having little pins pushed into his nutsack. That gave me an idea for another time.

I keep his balls shaved. Or rather he has strict instructions to keep those nuts clean shaven at all times. I like those big globes hairless and ready to play with at a moment's notice. I told him if I ever found any hair on his nuts, I would tie him down and yank each hair out with a pair of tweezers. He only forgot once. That was enough.

After I finished my beer, I told him I was tired of watching his balls burn and was ready to play games with his butt. I took one of the dildos out of my bag. This one is about eight inches long and not too fat. But it is definitely big enough to let him know there's a rubber prick stuck up his pussy. I call it Steady Eddy. I greased Eddy up pretty good and went over and untied the pussy boy's feet.

"Lift 'em and spread 'em" I said.

He obeyed willingly. He loves having his butt plugged and even though his nuts had to still be on fire, I saw him grin as he lifted his legs and showed me his cunt. I shoved Eddy in to the hilt.

"Now, here's the game," I told him. "You keep those fairy legs raised high in the air and hold the dick in with your butt muscles. If you keep it in for five full minutes, you can lower your legs. But if you let that dick slide out of your cunt, I'm shoving it right back in and your five minutes starts again. But those legs don't hit dirt until I've seen you hold dick in your twat for five full minutes."

I popped another beer and set my stop watch. Holding your legs up in the air for five minutes isn't all that hard. But when you've got a greasy plastic dick shoved in your ass that's slowly worming its way out, five minutes could be an eternity. Particularly since the shithead has a pretty loose pussy to begin with. I see to that. He lasted two minutes and forty five seconds before that greasy cock popped out of his ass and fell on the sand.

I immediately walked over and shoved it back in, sand and all. That

made him holler.

"Shut up, cunt face," I said. "You've got five more minutes."

The second time he lasted four minutes and five seconds. I could tell he was squirming and grunting to try and hold that rubber cock up his pussy as best he could. Still, it's hard to keep a greased dick stuck up your ass with your legs sticking up in the air, spread wide open. He got it shoved up in again, and this time there was even more sand on it.

The third time he dropped it I was starting to get bored. He had only held it in two minutes and four seconds. Obviously, his cunt wasn't going to be able to hold it. I decided it was time to go back to the toy bag.

But first, I needed to piss. The beers I had had so far were starting to affect me. I grabbed the little cotton work-out shorts I made him wear and took them over to him. He was still lying there with his pussy legs in the air, even though the dildo had fallen out of his boycunt again. His legs were a little shakey, since he had been holding them up in the air for some time.

I threw the shorts down on his chest. I unbuckled my jeans and pulled out my cock. I let lose a nice stream of piss all over those shorts laying on his chest. He lifted up his head, opened his mouth, and tried to catch any of my piss into his mouth. He loves my piss. Usually he gets it straight from my dick. But not this time. Anyway, he struggled to try to drink it while I peed right onto his chest into those shorts. When I was done, I grabbed those shorts and stuffed them into his mouth, loaded with my piss. He was in heaven. Even though his balls were still on fire. Even though his cunt was filled with sand. Even though he had had his legs in the air for a good half hour, his eyes glazed over with sheer pleasure at having piss filled shorts shoved down his throat. He was gurgling and swallowing that piss and loving every minute of it.

His look turned to terror as he saw what I pulled out of the toy bag next. I knew he would never be able to hold Eddy up his pussy for five minutes, so I pulled out Nob Head. Now this is a pretty fat dildo. But the main thing about this rubber prick is the huge head on the end

of it. To have this thing put in your butt is like having a baseball shoved up your ass, with a foot long fat pole stuck on the end. No matter how often I stick it in his boycunt, he doesn't like it too much—at least at first. So, when he saw me bringing it out he started to whimper. That's when I was glad I had gagged him with those piss shorts.

There's only one way to get Nob Head up a fairy's butt and that's just to shove it right in. He knew it when I pushed it up against his pussy. I just stuck it up there and then shoved it home. It was a good thing he was gagged. Otherwise, they would have heard him scream in Phoenix.

"You've got five more minutes," I told him.

The next five minutes were fun to watch. He had had his cunt legs thrown up in the air for close to forty-five minutes now. They were quivering and shaking, but he didn't dare let them drop. The head of the rubber dick was stuck firmly up his butt, and the tail of it waived and dangled obscenely in the air. He was covered in sweat from his exertions and the hot Arizona sun. His whole body was now bright red. He would be sunburned tomorrow. But in spite of his discomfort, the big round ball at the end of old Nob Head was working its magic on his prostate gland, and he began to squirm and buck his hips into the air as he fucked himself on that big dildo. He was in pig heaven. I popped another brew, lay back in the shade, took my pecker out of my jeans, stroked it, and enjoyed the show.

I let him go ten minutes instead of five. By then he was becoming a little hysterical with all the thrashing around in the sand, and his legs weren't going to hold up much longer.

"Drop 'em," I said, as I came over and took the piss gag out of his mouth. I untied his hands and told him to get up on his knees and put his hands behind his back. I knew that I would have to tie his hands behind him right away, or he would grab for his cock, which looked like it was going to explode any minute and was leaking pre-cum by the quart. He wobbled to his knees and obediently put his hands behind his back to be tied.

"Time to fuck," I announced.

I aimed my dick at the ground, waited for a minute for my hard-on to subside and let flow another round of piss into the sand. He started moving toward me, shuffling on his knees, mouth wide open hoping to take my piss.

"Stay put," I ordered.

When I was done peeing it left a nice muddy puddle of piss in the sand.

"Now get over here," I told him. I took his face and laid it down on his cheek right in the middle of the puddle of pee. His butt was stuck up in the air, and his hands were firmly tied behind his back. Nob

Head still hung firmly plugged into his pussy. I went around behind him and grabbed hold of the end of the dildo.

"This is going to hurt," I said just before I yanked the big headed dick out of his twat. He screamed out and got a mouthful of pee and mud when he did.

His pussy had opened way up and looked pretty damn sore and used. It also looked just like I want it to when I'm ready to fuck it. I pulled my jeans down to mid thigh, moved up behind his ass on my knees and shoved my babymaker into his cunt.

He knows what I expect when I screw him. He's been well trained. I always say he's a piss poor cocksucker, but there's a reason he's got a mouth. That's to let me know how grateful and happy he is when my dick is shoved up his hole. He also knows that I don't mean just an occasional "thank you sir". Its got to be nonstop and loud and clear.

I began to fuck. He began to talk.

"Please fuck me. I wanna get fucked. Stick your dick up my ass. Screw me. Fuck me. Make me feel it. I love it. I need it. Fuck, fuck, fuck, oh yeah fuck me hard. Use my ass. Fuck my pussy. Stick it in me. Make me sore. Fuck it. Fuck it! Fuck it! Oh, yeah, fuck me more!"

This kind of talk from a bottom boy makes my rod really stiff and ready to ram. He knows it too, and he was doing a pretty good job. But it wasn't quite fast enough and steady enough for my taste.

"I think I can make you sing a little louder," I told him as I abruptly pulled my prick out of his rear, went back to the bag and brought out my little riding quirt. It's about six inches long and all leather.

After I plugged back into his butt, I brought the quirt down pretty hard on his left ass cheek and then delivered a matching blow to the right one.

"Think that might make you talk a little louder and a little faster fuckhole?" I asked.

His pussy bucked and jumped from the blows, but it had the desired effect. He redoubled his efforts.

"FUCK ME HARD! STICK IT IN ALL THE WAY. MAKE IT HURT! OH YEAH. RIDE MY PUSSY! FUCK ME SIR! PLEASE FUCK ME. FUCK ME. FUCK ME. OH YEAH, I LOVE TO GET FUCKED. I LOVE TO GET FUCKED REAL HARD FOR A LONG TIME! I LOVE THE WAY YOUR BIG PRICK FILLS MY HUNGRY HOLE. PLEASE FUCK ME SIR! THANK YOU SIR FOR FUCKING MY BUTT!"

I jammed my cock in and out of that sloppy hole. And every time he as much as missed a beat with his pussy talk or stopped to take a breath, I brought that quirt down good and hard on his ass.

I love to fuck. Nothing feels better than sticking my big fat hard prick into some hot boycunt. I take my time. I slide

it in all the way and then pull it out real slow. That was how I was fucking him now. Every now and then I would give him a few quick jabs. Then I would pull all the way out and point the head of my dick with my hand so it went in almost sideways. There are lots of ways to fuck, and he was used to just about all of them, with the training I had given him. I was screwing his ass good and hard. And he was loving every minute.

OH GOD, THAT FEELS SO GOOD SIR!!! I LOVE THE WAY YOUR PRICK FEELS IN MY ASS. FUCK ME. FUCK ME. FUCK ME REAL HARD!!!!!! THANK YOU SIR FOR FUCKING MY HOLE. THANK YOU FOR GIVING ME LOTS OF DICK. I NEED DICK IN MY HOLE. FUCK ME HARD!! FUCK ME GOOD. YOU FUCK ME SO GOOD. I NEED TO FEEL DICK IN MY HOLE. PLEASE FILL MY HOLE!!!!!!!

After about fifteen minutes of good hard fucking, I decided I needed another beer. I pulled my schlong out of his cunt, got another brew, pulled off my T-shirt (I decided I might as well get a sun tan while I cornholed his ass), and stuck my dick

back into his puss. "This is as good as it gets," I thought to myself. I had my quirt in one hand, smacking down on his butt when he wasn't loud enough to suit me. My cock was shoved up his butt to the hilt. And, to top it all off I was enjoying a nice cold brew. What could be better than this?

After about ten minutes of good hard screwing, I could tell I was getting close. I didn't want to come quite yet. I wanted his butthole to really feel this fuck. I wanted his cunt to hurt for about a week after this screwing. So, I pulled out and went to get Mr. Bigdick. That's one of my favorite dildos.

Mr. Bigdick is a little bit fatter than Steady Eddy, but he is about ten inches longer. He can really rearrange a fuckhole's guts. My peter needed a rest, so I pulled Mr. Bigdick out of the bag and decided to really fuck him deep.

"I'm gona stick you with this long fucker, now" I told him. "You keep that mouth of yours going or you'll feel this quirt on your butt."

"YES SIR. I HEAR YOU SIR! PLEASE FUCK ME GOOD AND HARD,

SIR! I LOVE TO FEEL THAT BIG LONG DICK IN MY PUSSY!!!! GIVE IT TO ME, PLEASE!!! OH YEAH, I NEED TO FEEL THAT BIG DICK SHOVED ALL THE WAY INTO MY CUNT, PUSSY, SIR!!! I LOVE IT. I WANT IT!!! OH, PLEASE FUCK ME. FUCK ME. FUCK ME!!!! STICK IT IN MY CUNT. FUCK ME WITH THAT BIG LONG DICK!!!! MAKE IT HURT ME. I LOVE IT. I NEED IT!!!!

I sat back on my heels and really went to work on that boypussy. It took me a few minutes before I could work the whole fifteen inch dildo into his hole, but eventually it was sliding all the way in and out with no problem. I would snake it all the way into his snatch and then pull it all the way out, real slow. When I took it all the way out of his cunt, his asshole would open up real slow. When I took it all the way out of his cunt, his asshole would open up real pretty just like a flower in bloom. Then, when I drove it back in, I could feel his guts sucking up that big rubber pecker, pulling it up inside him. I was getting pretty hot and feeling like busting my nut, but I kept at his hole for a good ten minutes more. I wanted it to

be good and sore for days. The welts on his butt cheeks were coming along pretty nice, too. He would have trouble sitting down for a week. Finally, my prick was screaming for release. I gave him a couple more good hard jabs with Bigdick, pulled it out, threw it and the quirt into the sand and got back up behind his cunt with my cock.

I was ready to come.

I got an ass cheek in each hand and pulled them as far apart as I could. Then I rammed my prick into that hole hard. Again and again and again. Each time I poked him I tried to imagine that I was fucking him hard enough to make my dick come out his throat. Each time I rammed his face ground into the dirt. It was hard, rough and brutal. He knew I was getting ready to squirt in his ass.

"OH YEAH, FUCK ME GOOD SIR!!! MAKE IT HURT MY HOLE. MAKE ME BLEED. PLEASE CUM UP MY BUTT, SIR!!!! GIVE ME YOUR BIG LOAD. LET ME HAVE IT. SHOOT IN ME, PLEASE. I NEED TO HAVE YOUR JUICE IN MY CUNT. PLEASE CUM IN ME. FUCK ME. OH YEAH, PLEASE FUCK ME AND SHOOT IN ME. FUCK ME, OH YEAH, FUCK IN MY ASS!!!! SHOOT IN ME PLEASE SIR."

I rammed his ass one more time and pumped what felt to me like two quarts of jizz into his hole.

"YEAH SHITHEAD!!!! TAKE MY CUM, YOU MOTHERFUCKER," I swore as I shot my load into his ass.

After a few more good hard jabs, I pulled my pecker out of his well used shit chute, sat back and looked at the sight. He was quiet now, just whimpering softly with his ass still high in the air and a trickle of my love juice starting to ooze out of his snatch. The welts on his butt from my quirt were getting pretty red now, almost purple. He would have trouble sitting down for several days.

I left him there while I picked up the toys, put them back in the bag and threw it back in the cab of my truck. Then I said to him, "Picnic's over. Get your ass back in the truck. We're going home."

Slowly, he got to his feet. He had a little difficulty standing at first.

"Please, sir," he said. "I've been good. Please let me come."

I looked at him. He was a pitiful sight. He was sunburned pretty badly. There was piss and mud all over one side of his face. Most of his body was covered in sand. He had big red welts on his ass, and his hands were still tied firmly behind his back. I must have shot a pretty big load up his butt, because a long stream of jizz snaked down to about halfway down his leg. And his big red rock-hard prick stood straight up in the air. A long string of pre-cum dangled from the end of it. I knew that if I untied his hands he would immediately grab that dick and start pounding away. I also knew it would only be a few seconds before he would shoot a big load into the air and down onto the sand. He looked at me beseechingly.

"Not now," I said. "Maybe later. Now get in the back of the truck. And lay on your side, too. Not your belly. I knew if I let him lay on his stomach, he would dry hump the truck bed all the way home and probably shoot his nut that way.

It took him a while to get back into the bed of the truck, with his hands still tied behind him and all. He obediently lay down on his side in back. I unfolded the tarp I keep in the bed of the truck and threw it over him. With the smell of piss and fuck juice under that tarp in the Arizona sun, it would get pretty ripe under there before we got home. Maybe bouncing around on the bed of that truck on his side, under the tarp, would make that boner of his go down a little, I thought. He would definitely have to be hosed down in the back yard when we got home. That blast of cold water from the garden hose usually did the trick.

I got in the pick up and started home. I felt a little guilty about not letting him shoot. After all, he had been a good screw. I thought to myself as I headed home that maybe I would let him come tomorrow. But, probably not.

For anyone paying attention to current issues in the news, child abuse has become a hot topic in the last several years. It is now estimated that as many as one woman in three and one man in five was physically and/or emotionally abused or sexually molested as a child. For *Drummer* readers, it is important for me to mention that the incidence of child abuse in the histories of practitioners of the SM/leather/fetish sexualities is astounding. While presenting seminars to leather folks, I have often asked how many in the room were subjected to child abuse as children, and I am still shocked when usually more than half the hands in the room go up.

Many survivors of child abuse (some simply don't survive) end up with a host of difficulties in their adult life that can be more or less directly traced to their abuse history.

These difficulties include, but are not limited to troubles forming intimate relationships, trouble with sexuality, trouble making new friends, trouble with people in the next older generation, and numerous other psychological problems.

In the therapy room, I frequently discover that SM bottoms are in the scene because they unconsciously try to recreate their abusive experiences in the hopes that they can somehow un-do the traumas of their past and find love. During the SM scene itself, the bottom is returned to the emotional site of the original trauma back in time, but that is usually as far as it goes. Sometimes, things go a bit farther when, after the bottom "breaks" in a scene, the Top moves closer emotionally to support the bottom. Then the desired "love" happens for the bottom. The irratio-

nal belief operating in bottom's head is, "If I can just get through this, the love will be waiting for me on the other side."

This sometimes resonates with messages the bottom may have received during abusive experiences as a child from a parent such as, "I'm only doing this for your own good," or "I'm doing this 'cause I love you and I want you to turn out right." Tops with physical abuse in their childhood history can come at the SM scene from having made an identification with the abuser, so his (unconscious) belief can sound like this: "I'll show you my love the way that Dad (or Mom or whoever) showed me his love (I'll cause you pain)." Who can be surprised that love and

aware) part can't recognize such a person as a loving man without the abusive elements that remind them of childhood.

When the childhood abuse was sexual rather than physical or emotional, the child may grow up believing that sexual intimacy IS love. In adulthood, these victims often run their sex lives ragged in the (unconscious) belief that sex equals love. They search for love in sex. But sex doesn't equal love, and so each sexual escapade leaves the adult feeling unfulfilled and depressed. They conclude (irrationally) that love didn't happen 'cause it wasn't the right guy, or that they didn't do the sex "right". And so they are driven to go out and try again with someone

Bottoms suddenly realize that something is wrong here when they first hear themselves say something like, "I get really uncomfortable when I meet a guy who is just too nice to me." I know that my comments here will anger some who feel that I am playing into the hands of the psychiatric view that all SM is a maladaptive response to child abuse. SM & CHILD ABUSE

For Some, a Difficult Connection with the Past

Continued from previous page.

have reason to suspect that anger and humiliation in the playroom often signal the unconscious attempt to recreate the emotional environment of childhood abuse. While it is true that people have a right to play the way they wish, I can not support what I feel amounts to the ongoing abuse of the inner child. At the same time, I recognize that people have a right to hang on to behaviors that don't work and don't make them feel better.

Clearly, not all adult survivors of child abuse end up in the SM scene; if that were the case, the SM scene would be much larger than it appears to be. Likewise, not everyone in the SM scene is there to unconsciously work out his child abuse issues, but I am convinced that some percentage of us are there for just this purpose. But the SM scene even with all its glories, does not have the power or ability to accomplish the psychological restructuring

freshing, that is not the same thing as the psychological restructuring of psychotherapy. SM should never be expected to heal the wounded inner child who doesn't belong in the playroom in the first place. SM is for consenting adults only, and when we bring our wounded inner children into an SM scene, we are only continuing the abuses of the past, reinforcing depression, and prolonging a frustrated search for love.

Here are some books that can help shed more light on recovering from child abuse:

PRO VS CON

by Clay Caldwell
illustrated by Dadē

The river divides the Territory into two sections, one for the Pros, the other for the Cons. When a youth completes his coming-of-age education, he chooses which side of the river he will spend the rest of his life on. Pros and Cons respect each other's area and never mix; they stay on their side, we stay on ours. Yea, I picked being a Pro.

This one night my balls were working overtime, so I cleaned up and pulled on a sport shirt which fit tight and pants that fit even tighter, the standard garb for a Pro on the prowl. I went down the street to the nearest social center, and after a couple of glasses of Terroise and a few uninteresting gropes, I decided to try another center.

I loafed outside, and I needed to take a leak so I stopped off at the nearest pissery. The single room was dark and evidently deserted, and I opened my fly and let my pecker dangle while I unloaded the Terroise I'd stored up. Suddenly two figures came out of the shadows, one blond and tanned, the other black-haired and swarthy, both wore leather jackets and trousers, the uniforms of Cons.

"What the hell are you bastards doing in a Pro area", I barked.

"Hunting for a cocksucker like you," one of them answered.

"How about gulping on a man-sized chunk?" the other asked.

"A Pro go down on a Con?" I sneered. "That'll be the day!"

"I think we've got what we're after," the blond said, and he moved behind me, arm-locking my neck and wrenching my head back. "Dose him, pal."

The other man clamped a wet cloth over my face, and when I gulped for air, a sweet scent paralyzed me including my vocal cords. Helpless, they hauled me from the pissery, and anyone seeing us would think two buddies were taking an over-Terroised chum home.

They dumped me in the back of an autovan and stretched out beside me, and the machine began moving on a precomputerized course. I was certain they were taking me across the river to the Con area, but I couldn't move or yell for help. No, I couldn't even defend myself when they opened my shirt and trousers and examined me.

"I'm Tray," the black-haired Con said, toying with my prick. "My comrade is Buzzer, and he sure picked a winner this time. He grinned, gripping my balls firmly, and the damp cloth covered my face again. "We're going to train you to beg for our meat, Pro."

I sank into swirling blackness, and when I came to, I was stretched out naked on a table in a windowless room, the two leather-clad men looming over me.

"He's awake," Buzzer said, digging his fingernails into one of my nipples. "Welcome to your new home, Pro."

"Knock it off, you sonofabitch!" I bellowed.

"Make all the noise you want to," Tray snickered, twisting my other tit. "Nobody outside can hear, and I like hearing a Pro yell." He pulled back, smiling. "You're going to yell your guts out before we're done slaving you."

"I'll never be a slave! Especially to a couple of goddamn Cons!"

"Bullshit!"

They wrenched me from the table and slammed me face-forward against a wall, and there was a soft hum as an electrofield pinned me in place. Yeah, these Cons had all the modes we Pros did.

CRACK! The first belt-slash across my ass made me gasp, but I clenched my teeth to keep from crying out as a second came from the other side. Slowly, making each stroke count, they whipped me from each side to keep the marks even, and I couldn't stop the groans, then the howls as the welts crisscrossed up and down my back. They continued the merciless beating until my throat was as raw from screaming as my backside was from being strapped, and when the electrofield was turned off, I crashed to my hands and knees. I got my brains cleared and looked up, and both men had taken off their jackets, showing powerful, thick-muscle physiques, except that Buzzer's barreled chest was dusted with golden peach-fuzz while Tray's was blanketed with black silk. Hell, I would've mixed with either of them if they weren't Cons.

They jerked my head up and clamped a chain around my neck, and I heard the buzz of a megnoweld as it was sealed in place. Then they took me to a small, unfurnished cell and dumped me on the floor, and I was left alone in total darkness. Naked, whipped, collar-chained and aching, I tried to get into a comfortable position and rest, and a calming voice surrounded me.

"You are a slave," it told me. "You will serve your Masters."

The message was repeated endlessly, but somehow I was able to sleep, I don't know how long. Without warning Tray and Buzzer returned, and they fed me a dry, tasteless powder called Nuteria which was to become my steady diet. Then they led me to a latrine and watched while I showered and shaved, later I realized they kept me clean-shaven so the stubble on my face wouldn't show the passage of time. Finally I was taken to the room where I'd been whipped and placed with my back against the electrofield wall, unable to move.

Buzzer started off by putting clamps on my nipples, and Tray followed by attaching a leather stretcher-divider to my balls. Each one took his time, Buzzer increasing the pressure on my tits, Tray adding weights to the

stretcher. It seemed like hours before the combined pains rose to the point where I couldn't hold back my moans, and I screamed in agony when Tray tapped my strained testicles with his fingertips. Yeah, he liked hearing me howl, and he kept working on my nuts until I was barely conscious. That's when they freed me and draped me face down across the table in the center of the room.

"You're going to beg to suck our cocks when we're finished training you," Tray declared, standing in front of me and pawing the mounded crotch of his trousers. "In the meantime, you'll take us off another way." He chuckled and nodded to Buzzer. "You're first, pal."

The next thing I knew, the burly blond was behind me, spreading my asscheeks and poking the lubed tip of his rod against my exposed hole. Hell, I'd been fucked before, but I cursed at the humiliation of being humped by a Con. Buzzer drove a huge cockhead into me, stretching me more than I'd thought possible, and he held still, deep inside me, until my muscle-ring adjusted. Then he began inching the rigid shaft deeper and deeper, filling my guts—almost gently—and pumping slowly. No lie, it felt like he was screwing me with a macro-pole, that's how big he was hung. He took his time riding me, and finally he slammed down, blanketing me with his sweat-

hot body and bellowing that he was shooting his load. Finished, he rested and softened, and when he pulled out, I felt strangely empty. . . but only for a moment.

Tray took over, and he rammed inward in a single, brutal plunge. His iron seemed as big as Buzzer's, but there was nothing gentle about the way he hammered me. I knew he wanted to hear me yell, and he got his wish. He pounded ruthlessly, and he gripped the chain around my neck to jerk my head back and give him more leverage. I couldn't breathe, and I passed out before he must have flooded my guts with more Con cream.

I came to in the darkness of my cell, and the voice was chanting that I was a slave to my Masters.

After that, each session began with my ration of Nutria, then a shower and shave and the walk to the room where I never knew what to expect. Maybe I'd be pinned against the electrofield wall and whipped until my ass was burned enough for them to fuck it. Maybe they'd zap me with a magnostick, sending stabbing shocks through whatever part of my body it touched, and they made sure it hit every part. One time they put me into a jockstrap with a cup that clamped my genitals tightly, and then they made me swallow a liquid they called KwikUp. In seconds a sex-rush hit me, making my cock heat for the first time since I'd been made prisoner, but there was no way my rod could escape its bondage and grow full-hard. I know I begged to be allowed to jerk-off, and they just laughed until the drug had worn off before screwing my tail.

Alone in my cell, I began to fantasize about how Tray and Buzzer looked without those leather pants. Sure, I'd seen them barechested and felt their rams crammed up my butt, but I'd never seen those tools totally exposed. I tried to picture them in the darkness, and all the time that voice was telling me that I was a slave. Maybe I was beginning to believe it.

The final session began as always with the usual feeding and washing, but when I was taken to the room, I was strapped faceup on the table. Small cups were placed on my nipples, my prick was inserted into a plastform tube, and my balls were covered with a soft wrapping. A heavy dose of KwikUp was poured into my mouth, and when I swallowed, the sex-blast gave me a roaring hard-on. With a snicker, Tray flipped a switch, and I braced for jolting pain. Instead, the

cups nibbled my tits, the tube suctioned my cock, and the wrapping licked my nuts. Believe me, it was the ultimate blow job, even better than the gang action I'd experienced in Pro territory, and soon I was discharging the cream stored up since being kidnapped.

Look, when I'm warmed up I'm good for two or three shots in a row, but the machine didn't give me time to rest and reload. It continued to pump my inflamed rod, and I don't know how often I popped before what had been real pleasure became agony. Drained, my iron stayed hard, and I cursed, I howled, I begged for an end to this torture. My reward was another dose of KwikUp.

I floated in a warm world of exhaustion, and I heard the voice from my cell telling me that I was a slave and explaining how I was to serve my masters. My numbed brain must have accepted the instructions because suddenly I was released from the bindings and equipment.

"Come here, slave," Tray ordered.

Automatically, I spilled from the table and crawled to him, and I licked the legs of his pants and pressed my face against his full crotch to show my servitude. Buzzer stood beside Tray, and I repeated the rite on him. When I reached his crotch, Buzzer opened his fly, and for the first time I saw the tool that had plowed my ass so many times. It was long and thick, and the glistening shaft was as smooth as polished ivory. He held it to my lips, and I took it into my mouth, licking and sucking, pleased with the masculine taste and scent of my Master. The column stiffened and slithered into my throat, and I rocked forward and back, gulping hungrily. I wanted to serve him, and without warning he was firing blasts of rich, thick sperm. I drank every drop, and then Tray took over. Not only was he built like Buzzer, but he was hung as big, except that his hard-on was gnarled with swollen veins. He gripped my head and held me in place while he face-fucked me with the same fury he'd used on my tail, and I swallowed another load of cream.

My Masters no longer called me "Pro," merely "slave," and I quickly learned my duties. Naked, I started my chores as soon as they left for their work assignments, and I was ordered to spend at least one hour using the exercise equipment in the sun-burning courtyard. My muscles hardened while I gained an all-over tan, and they seemed satisfied when they checked

me out while I lathered them in the shower. They had separate bedrooms but the three of us always slept together, me in the middle so I was positioned if one wanted me to suck while the other plowed my butt. They gave me a leather uniform like theirs so I could go outside to run errands, only my jacket had a chain hung across it to show that I was a slave. Now that I was well trained, Tray took less interest in abusing me.

One Friday night, Buzzer called me into his room. He was lying back naked on the bed, the cool light gleaming on his blond hair and bronzed physique and heavy cock, and he ordered me to lie down beside him. He told me that Tray was out finding another Pro to train and that I would serve him alone for once, and he swallowed a little KwikUp, then fed me a couple of drops. The reaction came slowly, gently, and my rod stiffened.

"I own you, slave," he said, and he ran his fingers over my chest and nipples. "I can do anything I want with you."

"Yes, sir."

His hand roamed lower and lower as if exploring me for the first time, and finally he toyed with my hard-on and churning balls.

"I can do anything I want with you," he repeated, and he shifted to kneel between my legs and take my prick into his mouth.

Shit, I hadn't had a blow-job since I'd been kidnapped, but this Con gulped on my horny meat like an expert. He sucked it head-to-nuts again and again, and I soared toward climax.

"Sir," I warned. "Master! Buzzer!!"

I exploded in long, wrenching screams, and Buzzer swallowed all of it. Drained, my tool stayed erect, and he made me thrash and hiss as he licked it clean. Then he rested back, and I knew he needed to be served.

I played my fingers over his gold-fuzzed chest, and I worked downward until I held his rigid cock. All I could think about was pleasing him, so I crawled over him, licking and sucking, and when I finally lapped his bull nuts the way he liked, he quivered and groaned.

"Suck, slave! Cool my aching prick!"

I took that slick column throat-deep as I'd learned to do, and in what seemed like seconds, I was gulping his body-hot cream. He blasted in heavy spurts, and I swallowed hungrily. Yeah, I wanted to satisfy my Master!

Finished at last, he hauled me up to him and locked me in a powerful embrace.

"You're the best slave a Con could ask for," he murmured, stroking my back and tail. "I'm going to fuck you front and rear all night long."

"Yes, sir!"

He wasn't fooling. We dozed a little, he brought us back to action with a few drops of KwikUp. He rode my butt. We showered, and I sucked his iron. We slept together, and when I dared to call him "Buzzer," he chuckled and went down on me again, reminding me that I was his slave.

The next morning I woke up alone, and I hurried to do my duties, certain that Buzzer and Tray were training another Pro. They wore their leather pants when they came for meals but nothing was said about the Pro, not even when Buzzer and I climbed into bed at night. Then one day, they ordered me into the room where I'd been trained, and there was this naked Pro on his knees, dark-haired like

Tray, rugged-handsome, muscled, black silk swirled over his bared chest, his back and ass lined with marks, his limp cock dangling over sagging eggs, a slave collar like mine perma-fixed around his neck. His glazed eyes said he'd been given the final treatment that had broken me.

"Suck him, Junior," Tray growled.

The new slave crawled forward to do a job on my iron, and later, Buzzer told me they'd named him Junior because he was lower in rank than me.

Junior shared the work with me, and I liked watching him pump his muscles on the exercise equipment. Afterwards we'd shower together, and I'd soap his dick to get him warmed up for Tray. He was hung as big as Tray with the same kind of vein-swollen shaft. Some nights Buzzer and I would hear the snap of a leather strap against bare flesh and Junior's groans. Yeah, Tray turned on to causing pain to his slave, and Junior served him well. As a matter of fact, Junior seemed really proud when he showed off his black-and-blue marks.

"Ever think about escaping back to Pro territory?" Junior asked me one day when we were washing up after a workout.

"No." I was lathering his butt, and I slid a finger into the slit between his trim buns. "Right now I'm thinking about how good it'd be to fuck you." I pulled back reluctantly. "I'd better ask my Master's permission."

"You do whatever he says?" he asked, turning to nudge his hard-on against mine.

"I'm his slave," I explained, rubbing my palms over the water-soaked hair on his chest. "I belong to him, just as you belong to your Master."

"I swore I'd never be a slave when I was first brought here," Junior confessed, soaping my balls. "But now I feel damn special when my Master says I've done well serving his needs." Excited, he squeezed a little bit harder than I wished. "Think of all we would've left unknown about ourselves if we hadn't been trained!"

That seems to be the best way of explaining slavery.

SPOTLIGHT ON THE Mr. Florida Drummer CONTEST

Michael Hodge and Bob Graves, owners of Parliament House and the Full Moon Saloon have been doing the Mr. Florida Drummer statewide contest since 1989, and doing a damned good job of it. So here's to all the men (and women?) who make it happen so happily every year down in The Sunshine State! Thanks!

(Photos courtesy of Parliament House)

This year there are three area contests in Florida, with Mr. Drummer and Drummerboy winners from each going on to the statewide finals. The areas are: Central Florida, sponsored by the Conquistadors MC at City Lights, Orlando, March 22; South Florida, sponsored by E & D Productions at the Marlin Beach Resort, Ft. Lauderdale, March 27-29; and North Florida, sponsored by V.I.P. Services Limited at the Bootrack, Jacksonville, April 3-5.

The finals, at Parliament House and the Full Moon Saloon in Orlando are set for May 8-10, an entire weekend developed around the Mr. Drummer and Drummerboy contests hosted, of course, by Mike and Bob. Their Parliament House complex is a perfect site for the kind of event they produce. There are over 120 rooms in the 17 year old resort which has been the site of many other major leather events as well as three previous Mr. Drummer contests. [If you're thinking of attending, call right away. Rooms sell out early for Mr. D weekend. The number is (407) 425-7571.]

The weekend festivities include a welcoming party for VIPs, contestants, and judges Friday at 9 PM (May 8) and a noon-time cookout Saturday, both at the Full Moon Saloon. Then Saturday night Kevin Steadman, Drummerboy of the Year 1991, will MC the Drummerboy finals, with Shan Carr providing the entertainment. Sunday at 7 PM the Mr. Drummer finals will be held in Parliament House's Footlight Theatre. The place will be packed with hot leathermen and hosted by some of the hottest, including Woody Bebout, Mr. Drummer 1991-92, and Kevin Steadman.

Looks like a Leather Pride Weekend (or week?) is taking shape in Los Angeles. Just as Sydney, Australia, has worked up a leather week around Mardi Gras, and San Francisco has built one around the Mr. Drummer finals, Southern California is centering on *The Leather Journal's* Pantheon of Leather Awards.

Already, the International Masters and Slaves Contest produced by Luke Owens, and the USDA Choice Contest (for beef over 40) produced by Wayne's LEATHERack are sharing the Valentine's Day/President's Day weekend with Pantheon. So, now the leatherman on the go has a perfectly reasonable excuse to drop everything and spend at least a few days in sunny So Cal each February.

DALLAS FANTASY '92

Photos of Fantasy '91 by Mr. Marcus

Bill Costomiris shows his stuff at last year's Fantasy in Omaha.

Leather titleholders, past and present, from all over the country will be on hand to entertain and inform when Dallas Fantasy '92, "An Outreach of Leather," hits the stage of the Addison Theatre August 14-16.

The three-day event will offer something for everyone, from top-name entertainers in concert on Friday night to hot leather men and women acting out their fantasies on stage Saturday night.

Fantasy '92 marks the first time the event will be held outside of Omaha, home of Dustin Logan's Fantasy Productions which initiated Fantasy Weekend and has sponsored the event each year. This year, IIR Productions of Dallas, which produced Fantasy '91 in Omaha, is again producing as well as co-sponsoring the weekend.

"Each year, Fantasy just keeps getting bigger and better, and Fantasy '92 will be the biggest and best yet," promised Marion Rounsaville, head of IIR. "We'll be keeping all of the best elements of past Fantasy weekends, plus we'll be adding some special surprises this time around. We chose to call the event 'An Outreach of Leather' because we want this to really be an outreach by the leather community to the larger gay and lesbian community, and to the mainstream community as well."

Rounsaville also pointed out that the Dallas Fantasy '92 is a benefit event, with proceeds going back into gay and lesbian community organizations. This year, one-third of the proceeds will benefit LifeLink, a Dallas organization which helps pay health insurance premiums for people living with AIDS; one-third goes to the building fund of the Omaha Metropolitan Community Church, and one-third goes to the National Leather Association.

The curtain goes up on Dallas Fantasy '92 Friday night, Aug. 14, at 8:15 p.m., with the presentation of colors and the introduction of visiting dignitaries. San Francisco-based comedienne Shan Carr, herself a former Ms. International Leather, will bring her special brand of humor to the stage to open the evening's main event, a concert by Pamala Stanley, one of the country's hottest pop entertainers.

Saturday afternoon, the party moves from North Dallas - the area where both the Addison Theatre and the host hotel, the Bristol Suites, are located—downtown to Oak Lawn, the thriving hub of Dallas' gay and lesbian community, for the Leather Fair. Not only will participants have the opportunity to examine the works of some of the finest leather-oriented artists and craftsmen around, they will also be able to attend seminars and demonstrations and enjoy an authentic Texas barbecue lunch.

In addition, several of Dallas' gay and lesbian bars, plus a number of gay-owned and operated businesses are lo-

cated nearby, giving participants the chance to sample the city's busy and varied gay life.

The fair winds up about 4 p.m., giving participants time to go back to the hotel and freshen up for the main event of the weekend, the fantasies!

Once again, the curtain rises at 8:15

p.m. at the Addison Theatre for a night of fun and fantasy. Titleholders from around the country will be putting their best boots forward in presentations ranging from speeches, to songs, to dances, to—of course—fantasies. Those expected to participate include *Leather Journal* Man of the Year 1990 Dustin Logan, Ms. International Leather '87 Judy Tallwing McCarthy, Mr. Drummer 1989-90 Brian Dawson, and more.

The weekend ends Sunday with a brunch for all participants at the Bristol Suites.

The registration fee is \$30 before July 15, and \$35 thereafter, and entitles participants to admission to all events. Tickets for Friday night's show or Saturday night's show are available for \$20 each night, and tickets to the fair only—not including the barbecue lunch—are available for \$5.

The host hotel, Bristol Suites, offers rooms to Fantasy '92 participants at the special price of \$67 per night, with up to four people in a room. This price includes a full breakfast buffet each morning. To make hotel reservations, call 1-214-233-7600 (FAX: 214-701-5818).

... and the giant sleeps.

An extremely personal reflection on the life and death of Tom of Finland, by James Williams

On November 7, 1991, the world-renowned homoerotic artist Tom of Finland departed this earth, leaving behind a legacy of nearly a half century's work.

Becoming the first to assist Tom in bringing his works into the 'Age of Video' was *and still is* the apex of my artistic career. I met Tom quite late in his reign as Master Eroticist, but his images have been part of my experience of homosexual maleness since before I knew what to name those feelings. Lust, passion, ecstasy... all colors on Tom's palette; all used with the precision of a craftsman's masterwork.

How fortunate are we who appreciate the strong, masculine fantasy imagery brought forth through Tom's insatiable urge to recreate his world through his art. Keeping in mind the oppressive society from which Tom sprang, what a revolutionary concept was being asserted in his work, that of *masculine* homosexuality. We can only speculate what life would be if we still were forced to feel that to be gay is somehow not male. At several major periods in my homoerotic development, Tom's drawings of his male-male Utopia have nurtured and enlightened me with his lusty Father-spirit.

At age four—well before the supposed onset of a kid's sexuality—I spotted, by chance, a small Athletic Model Guild magazine sporting a drawing of a

Physique Pictorial 28

sailor resplendent in tight, white trousers, his legs spread wide, and his crotch bulging enormously. Though I couldn't read, the message was quite clear: MAN=SEX. This is fine proof that Tom's visions are very definitely icons of maleness.

At thirteen, I began my conscious quest for sexual affiliation. By this time, Tom's images had become more prevalent on certain big-city newsstands. I managed to avail myself of many poorly reproduced copies that, nevertheless, took me to a higher level of erotic fantasy than my adolescent mind had ever attained. Not only did these images satisfy my longing to see grown-up men naked and hard, but they moved me to realize that men are (in all their/our sexual lust) the most beautiful of creatures. This, in turn, became the core of my artistic self, resulting in a career that has sought to portray the same male-male Utopia that Tom envisioned.

During my rise as a commercial nude photographer, Tom's drawings were more popular than ever. It was virtually impossible to open any gay-oriented magazine or newspaper without catching a glimpse into Tom's fantastic world.

Photo at top of page by Satyr: Tom of Finland, right, and Dirk Dehner, founder of The Tom of Finland Foundation, in the San Francisco Eagle patio in 1985. Above, a cover from one of Athletic Model Guild's early *Physique Pictorial*... not the unforgettable sailor of James's experience, but another hot Tom cover.

Even in his earliest published work, Tom's talent and skill were obvious. The luxuriously sensual style so definitely identified with Tom would develop soon. (1957, at left)

For us, the editorial staff of *Drummer* (and, we suspect, for a lot of people), Tom's "bootslave" pictures are the quintessential expression of what he was "about" as an artist. (1976)

Some of Tom's most interesting work was portraiture—sometimes commissioned, often not. And, in his portraits, many subjects discovered elements of their own sexuality and attractiveness they would never otherwise have seen. (1979)

Among Tom's early works for Athletic Model Guild's publications were many series of drawings which, disregarding any possible language barrier, told steamy, hot stories of rough sex in settings as diverse as public festivals, parks, jails, and barns. A much later series—no less hot—was his famous set of "Slave Market" drawings. (1983-84)

And, by the late 70s, groups like the Village People had translated this vision into a kind of mainstream performance art.

Photographers Robert Mapplethorpe and Arthur Tress were as inspired by Tom's work as I. And, by the time I had my first exhibit at EONS Gallery in L.A., Tom's originals were arriving for his first show in America. Finally, I experienced the essence of Tom's highly developed talent for fantasy and his impeccable ability to show his dream world as a flawlessly smooth reality.

These were not merely drawings, rather more like fine, black and white photographs of unbelievable "super men." Super handsome, super butch, with super bodies and super endowments; engaged in totally unashamed, unapologetic sex in full light. I was transfixed by his artistry and by his ability.

I didn't actually meet Tom for another twelve years. In the interim, I had become a video producer and he had continued to build his reputation as the foremost name in homoerotic fantasy. Meeting to combine our talents to bring

his work to a high-tech audience happened so easily that destiny must have been at play.

Tom's gentle manner and shy appearance took me completely by surprise. He never gave the impression that he realized what an important part of the gay male movement he had become. Made an honorary member of the Black and Tans (a prestigious uniform club) and deified by many in the leather community (as well as plain, man-loving queers everywhere), Tom never became aloof or conceited about his abilities. He always

seemed humble when accepting praise for what he referred to as his "dirty pictures."

Truly the artist, creating solely from his own desire to see these images, Tom gave life to his innermost passions. And we are the fortunate recipients of his lustful bounty. This giant has wrought a magnificent world with a stroke of his mighty pen. He gave flesh to a multitude of formless fantasies of leather, sex, and masculinity...

...and now, the giant sleeps.

HOW TO BE A TOUGH CUSTOMER

BE A DRUMMERMAN! Leathermen ARE *Drummer*. These photos were contributed by *Drummer* readers - YOU should be on this page. If you wish, we will assign you a confidential TC Box Number - *This is a FREE classified ad with your picture in it!* Or, if you just want your picture in our pages and don't want any mail, just say so. TC 154-02 CHICAGO TEDDY BEAR

28 years old, 5'10", 190 pounds. Looking for hot muscle bound Leathermen. Into hot, rough sex. Send letter and photo.

TC 154-03 WHEW!

"I'm a young (Jersey) male with interests in foot tickling (must be real and severe), foot torture (Bastinado, toasting with hair-dryers, ice, shock), toe-bondage, C&B tortures (severe ball stretchings, cock-head torment), tight bondage (mummifications, suspension, hog-ties, stocks), and long intense ordeals where panic and howling from torment are allowed to build up and explode into a new high. Inquisition scenes are a favorite. My problem is that I can't seem to find someone who's head is really into it. Or they will like the foot tickling and be turned off by the rest. Cock and ball torturers are abundant, but *good* ones are quite rare. I can be a bottom or a top, enjoying both roles equally. But I just can't find a guy who is as turned on by all of this as me. It must be a long trip where hopes of rescue and mercy are slim, where the top simply enjoys himself in your agony. *Where are you guys?* I'm young and a model, very masculine. I am genuinely ticklish on my soles, but enjoy the panic that sets in. So while I cannot stand the tickling (on a scale of one to ten ... I'm a 14!) when the torture of the situation and bondage and panic all mix, it is unbelievable!!!"

TC 154-04 STONE MOUNTAIN MAN

50 year-old Georgian, 5'8", 175 pounds. Bisexual and married. Into hot show-and-tell jack-off sessions with similar-type man. Discreet, but not shy, timid or bashful. Enjoys role-playing. Address his mail to: C.M.M., P.O. Box #13, Stone Mountain, GA 30038-0013.

TC 154-05 MINNESOTA MASOCHIST

6'2", 185 lbs., dark hair, green eyes.

"I will submit to any one hour naked inspection to *any* reply that includes photo and phone number.

Even if I don't like what I see, you will get me for one hour. I'm into humiliation, verbal abuse, degradation, BD, SM, torture, display, group scenes. I work very hard for the Master who knows how to use me."

HOW TO PLACE YOUR AD IN DEAR SIR:

We accept ads, and changes to ads, only in writing. Sorry, we cannot do this over the phone. Submit ads on the form on the facing page or a copy of it. If you can't bear to cut up your issue of *Drummer*, and can't make photocopies, send us a note and we'll mail you copies of the form.

Box Numbers: \$5.00 buys you a *Drummer* mail box for the life of the ad. Even after your ad expires, we will continue to forward replies forever—as long as we keep getting letters. (So, keep us posted if you move.)

Phone numbers: You can put your phone number in your ad for immediate response. **WE WILL ONLY PUBLISH VERIFIED PHONE NUMBERS.** Here's how to put your number in your ad:

Mail in your ad. (Don't forget to include the \$2.00 phone verification charge.) About two weeks after you mail the ad to us, you call us at (415) 252-1195, during business hours (10:00 am to 5:00 pm Pacific Time, Mon.-Fri.) Be at the phone number you are placing in your ad. We will call you back to verify the number. If we have not verified your number within three months, we will publish the ad with a box number instead of a phone number.

You only need to verify a phone number once. Once it has appeared in *Drummer*, just attach a copy of the printed ad to your new ad if you wish to use that telephone number again. We will not publish voice-mail service numbers in personal ads. Don't forget to include your area code.

What else? Put anything you want in your ad, except references to minors, animals, prostitution, or drugs.

Expect about a 60-day delay from the time we receive your ad to when it appears in print. Remember, it takes time for people to respond too. So, for example, if you're looking for Christmas presents, it would be smart to send us the ad at least 120 days before Christmas. Also remember replies by international mail may take longer than domestic mail.

HOW TO REPLY TO A DEAR SIR AD:

How to reply to a *Drummer* box number: Answering a *Drummer* box number is easy, but the few rules we have are hard and fast, so observe them *or else*. 1) Seal your letter in an envelope on which you have written the box number on the back flap in pencil. 2) Put your return address on the envelope if you wish the letter returned to you should there be some problem with delivery. 3) Put the proper postage on the envelope: domestic postage is 29 cents for the first ounce, and 23 cents for each additional ounce. Letters going to Canada and Mexico cost 40 cents for the first ounce, 23 cents for each additional ounce. Foreign overseas postage is 50 cents for the first half-ounce, 45 cents for the second half-ounce, and 39 cents for each additional half-ounce. 4) Put the sealed letter(s) and a buck (\$1) forwarding fee for each letter in another envelope, and mail it to: DESMODUS, INC., P. O. Box 410390, San Francisco, CA 94141-0390. Letters not properly prepared will be destroyed.

Desmodus will forward responses to ads in back issues. However, we cannot guarantee that old addresses will still be valid. Remember, the US Postal Service can not return undelivered mail without your return address. Keep in mind that people do move, and their needs and desires do change.

WHERE LEATHERMEN MEET

By placing an ad in this section, a bar or other business is telling you that they welcome Leathermen.

By accepting their ad, *Drummer* is telling you that the bar has been recommended by a Leather/SM club or a recognized individual in the community as a good place to meet and socialize with other Leathermen. In larger cities, these will be *the* leather bars; in other areas, they will be the more general purpose bars where Leathermen do go to socialize.

Help us to alert *Drummer* readers and travelers to the *right* place to go to meet Leathermen in your part of the world. Send us your recommendations and talk to the right bar owners and managers about placing one of these low-priced ads. If you see a business listed here that you think shouldn't be, let us know about that, too.

ELASTRATOR / THE ULTIMATE IN TIT PLAY

SSCo special purchase, originally used by livestock breeders to castrate animals. Use the specially designed pliers to place the rings on the nipples. As the rubber rings squeeze, the nipples enlarge (the same way a cockring increases erection) greatly increasing the sensation for the wearer. Once the rings are removed, the blood rushes back into the nipples—that is the time to work them. Set includes Elastrator, special scissors for safe removal and 100 rings.

[WB] PUBLIC PUNISHMENT

KINGSTON, Jamaica — The command was loud and clear as it echoed through the main square of Kingston. "Male caucasian, baptized Richard McLaughlin, property of Peter Bratton-Moore, the Estate, Sunnybrook, guilty of insubordination to master, punishment by public flogging—not more than 100 strokes," shouted the British Lieutenant.

McLaughlin, 27, a convicted insurrectionist against British civil authorities in Scotland, was captured, tried and condemned to death for treason against the Crown. His sentence was commuted to life in servitude in the colonies. Shipped to this British colony, McLaughlin was purchased on the auction-block in 1746 for the sum of 100 pounds by Peter Bratton-Moore. McLaughlin labored in the fields for almost eleven months before being assigned to the Bratton-Moore household as a servant.

"Insubordination" was given as the official reason for McLaughlin's punishment, but it is rumored that he is actually being publicly flogged for having an affair with Bratton-Moore's sister, Elizabeth. Elizabeth refused all attempts to contact her for comment.

The disciplinary action began with young McLaughlin chained up in spread-eagle fashion, wrists secured high above his head, legs spread far apart and ankles chained to wooden posts, located on a platform in the middle of Kingston's main square. The flogging was performed by a spirited black who is renowned for his stamina and expertise with the whip. "McLaughlin endured his punishment with remarkable stoicism," witnesses said, "most probably the black was not using all his strength!"

McLaughlin apparently survived his punishment, but had to be carried away after receiving all 100 strokes. It is not known whether McLaughlin will be kept on in the Sunnybrook Estate or disposed of at the auction-block.

ANOTHER HOT DRUMMER/ZEUS SM VIDEO

USSM/FOUR

Each September for the past three years, on the occasion of the Mr. Drummer Finals, Drummer/Zeus Co-Productions has filmed a USSM video for leathermen who insist on their SM *real!* Well, Gentlemen, another year has gone by and USSM/FOUR is ready for you. Filmed in-dungeon and outdoors, USSM/FOUR stars the most famous SM couple in the US today: Whip Master Fred Katz and his lover Henry Romanowski. Heating up USSM/FOUR's chemistry is the newest internationally famous SM couple: Mr. Drummer 90-91, Clive Platman, and Drummerboy of the Year, John Siracusa. And, if you can stand even more heat, USSM/FOUR also stars the 91 Los Angeles Drummerboy, John Hare, who blew your fuses in *Tightropes XX* and *Punishment II*. Plus, just to enrich the dungeon decor, we tied up Australia's Drummerboy 91 and his mate. The outdoor whipping scenes were filmed on a remote, wooded mountain top in No. California where Henry's succulent body-beautiful gets tied down to a St. Andrews cross by Hare and Siracusa for a whipping by Katz. Clive Platman can't resist the temptation (Who could?), and goes to work on Henry's muscular whip-scarred back. Mr. Katz shows up unexpectedly, and angrily whips Clive as Clive whips Henry. And, since everyone loves a happy ending, everybody gets whipped in the end. Indoors, Siracusa and Hare get strung up, and suffer heavy-duty C&B torture at the sadistically skilled hands of Tony (Fledermaus) DeBlase. And, if you're into vocals, you'll particularly enjoy the harmony of agony as the two John-boys scream out their appreciation. Then, as punishment for whipping Henry without permission, Clive's broad take-it-again back becomes Mr. Katz's target for a stinging variety of whips and whip action as the gagged and bound Drummerboys watch and wish. Shot on location by Zeus Studios' Mikal Bales, and produced by *Drummer* magazine's Tony DeBlase, USSM/FOUR is not only the latest, but the hottest of the series.
